Subject: **OUT - MODERN ART MONIES - THE CROOKS...**

I am now "out the door" of the cliff house

along with a handful of hardcopies of what I just sent you

<http://nextraterrestrial.com/pdf/alopez-pumpbloodmoneyoil.pdf>

MODERN ART MONIES to boot.

<http://nextraterrestrial.com/pdf/ATUCKER-MODERNARTMONIES.pdf>

Add Alida Smith to the “\$ hit list” [sic] on just3ants.com as well as Martin Wolf also of the London Financial Times assuming he isn’t already on it.

To repeat:

What bothers you more, world peace or my “\$ hit list” [sic]?

Come to think of it, also add Mayor Helen Zille of Cape Town, South Africa but hold off on my long time pal Tony Leon who Ms. Zille hopes to replace as the leader of the Democratic Alliance Party of South Africa, those choice words of Tony, "He [Harry Oppenheimer] was first and foremost a nonracial liberal" might yet save him.

[Word count 132]
