Subject: Michael hi - we are getting increasingly serious about becoming the number 1 t-shirt operation.

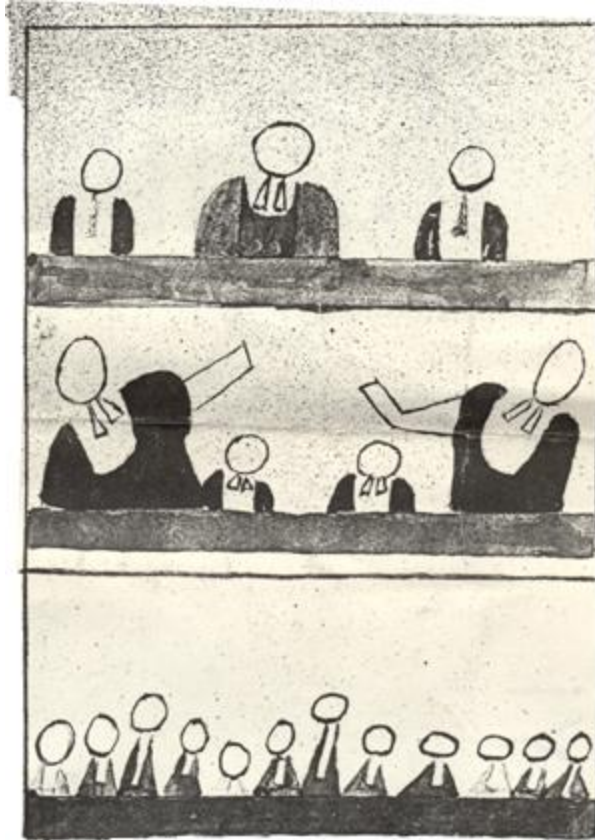

Adam - please forward to Mike Sagorin all the t-shirt designs even if they are not quite ready for production so that Michael can give his input.

Side note to Mike – We are thinking of using this design below both for a bumper sticker as well as a t-shirt.

I will call you shortly, following my reply to the author of "A Diamond Is Forever: Mandela Triumphs, Buthelezi and de Klerk Survive, and ANC on the U.S. Payroll" – click [HERE](#) – who just responded to an earlier enquiry.

BTW – on further thought, do you really want to be "blocked" from receiving my emails which of course wouldn't prevent you from asking someone else, like your relations attorney Alan Magid who conducted this [interview](#) with Mandela when he was in prison in an effort to get Mandela to help with the sentencing of a handful of Black South Africans who had been found guilty of treason, who might also say they block only the stuff that gets too close to home?

You wouldn't happen to have Alan's email address would you?

Also let me know what you thought of this **Ex**inction of mind email to Adam after you have read now for at the least the 5th time.

I will call you tomorrow morning and when I am even more certain that you will join our team then I will most certainly promote this great victory for all of us with the removal of your name from the "\$ hit list" [sic] although I don't think it up there yet, but let me know. Hi Gary, and no, I haven't seen any of your designs. (I actually blocked your emails a couple of years ago, & it was luck that I saw the one below in my junk folder just now!)

I've been working at a killer clothing company in Irvine for about 2 years, but will be more than happy to help in any way I can, outside of business hours. Call & let me know. Hopefully we can work out a deal where I'll spend all my free time working for you for free, and in return, you remove my email address from your circulation list? What do you say?

I should swing by next time I go to Las Gaviotas & drink some more of your two-buck-chuck.

I hope all's well with you,

Call me.

Subject: Michael hi - we are getting increasingly serious about becoming the number 1 t-shirt operation. Have you seen "sum" [sic] of our designs.

What do you think?

Are you still involved with t-shirts?

Would you like to be involved with us?
